BASIL ZEMPILAS

Husband, father, sports commentator, news anchor, Lord Mayor... the list of titles for this local Perth icon goes on and on. But to us, he's just Baz – the guy who always has time for a chat and a laugh. Baz is the anchor of Perth's 92.9 Triple M breakfast show, and with his finger on the pulse of all things news and sport, we couldn't think of a better person for the job. Clearly the people of Perth agree, when Baz isn't talking the big issues with his co-hosts Jenna and Xav, he's busy fulfilling his duties as Perth's 18th Lord Mayor.

Whilst we're pretty sure joining the Triple M team is the highlight of his career, a few others worth mentioning include covering seven Olympic Games, co-hosting Seven's *Weekend Sunrise* and hosting the presentations at the Australian Open Tennis and the Melbourne Cup.

JENNA CLARKE

With a resume that includes working for Harper's Bazaar, Elle and BuzzFeed, you'd be forgiven for thinking Jenna Clarke was born and raised somewhere a bit more exotic than Manjimup. But Jenna swears this town was where she spent a good deal of her life, before venturing to Canberra, Sydney and Denmark (as in, the country!)

Jenna joins Basil and Xav as the razor sharp journalist who knows her stuff – whether it be news, sport, music or fashion – Jenna has an opinion. When Jenna isn't co-hosting Perth's 92.9 Triple M breakfast, she is busy in her role as Assistant Editor at The West Australian, and when she isn't doing that you can find her at a Yoga or a Pilates class, or reading. (Nope, we have no idea where she finds the time!)

XAVIER ELLIS

Over the past few years, Xavier has (clearly) transformed into the most handsome, fit and intellectual member of the team, if not across Perth. * When he's not at work, Xavier loves spending time with his sons, Ted and Albie, doing something AFL-related, having a beer or completing the sports management degree that he started in 2007 (we believe he is halfway through). For Xavier, the most enjoyable part about working in breakfast radio is the opportunity to hear from so many of Perth's locals telling their stories.

*Xavier may or may not have helped to write his own bio!
